

The Misulonas Memo

August 26, 2022

Our Learning

Reading/Writing - This week, we started our reading journey by building our book bins and checking out books from our class library. We also explored our reading identity. In writing, we started talking about what writing will look like this year as well as our writing identity and where we get ideas..

Math - In math, we started our first topic on place value. Students learned to compare large numbers, the values of numbers, and the relationships between place value. We will take our first test next week.

Science - We started our first unit on Rock Patterns. We learned a lot about rock layers and fossils. Students also created rock layer models and identified the layers.

From Mrs. Misulonas...

Welcome to the 2022-2023 school year! It is so wonderful getting to know all the students in our class this year! We have been busy learning our routines and procedures. I am so proud of the beliefs our class has set for our school year.

Next week, we will start MAP testing. We will be MAP testing next Tuesday and Thursday. Reminders will be in assignment notebooks.

I am looking forward to getting to know all of you and a successful school year! If you have any questions, please contact me using email or school voice mail.

Have a great weekend!

Lynn Misulonas

Treat of the Week

Each week, we will learn more about our Classroom Family.

Week of 8/29: Mrs. Misulonas
Week of 9/5: Easton

Upcoming Dates

8/30 MAP Test
8/21 Mums orders due
9/1 MAP Test
9/5 No School
9/6 Picture Day

From the Media Center...

The Summer Reading Celebration was a huge success! Our class will start checking books out from the library next week. Mrs. Wake came in this week to review Google Classroom and sign up students for MBC.
