

The Misulonads Memo

September 30, 2022

Our Learning

Reading/Writing - In reading, we analyzing characters, story elements, and summarizing. In writing, students are finishing their narrative writing pieces. This week, students learn to reverse map to find holes in their stories.

Math - In math, we have started our next unit on multiplication. Although students will be learning multiple strategies, they should use the one that works best for them. We have started doing fact fluency practice in class, but students should continue to practice math facts at home.

Science - This week, we finished up our projects for Natural Processes. Students will be presenting their work next week. We will also be starting our first social studies unit of the year on maps.

Treat of the Week

Each week, we will learn more about our Classroom Family.

Week of 10/3: Elijah

Week of 10/10: Brooke

From Mrs. Misulonads...

It's been a busy week! Thank you to all who signed up to be a volunteer in our classroom. If you have not yet had a chance, please do so as soon as possible. I will be contacting parents next week.

If you have any questions, please do not hesitate to call at (847)223-3656 ext.5744 for my direct line/voicemail, or e-mail me at misulonads.lynn@d46.org. If you need to get a message to me before the end of the day, please call the main office at (847) 223-3656. Please sign your child's assignment notebook nightly. Enjoy the your weekend!

Lynn Misulonads

Upcoming Dates

10/7 No School (Teacher Institute)
10/10 No School (Indigenous Peoples' Day)
10/12 Late Start
10/13 Picture Retakes
10/14 Woodland Day

From the Media Center...

This week, we met with Mrs. Wake to become more independent in the library. Students did a scavenger hunt to better know where to find books in the library. Students can also still sign up for the Bluestem Club!
